

# All Kinds of Singing

(By Sean McCollough)

                  C                  C7  
There's all kinds of singing  
F                          Fm  
Oh don't you know  
                  C                  A  
There's loud and there's soft  
                  D                  G  
There's high and there's low  
F                  Fm          C                  A  
Some people sing with a rasp in their voice  
                  D                  D                  G  
Some voices are clear as a bell  
                  F                  Fm                  C          A  
But you know that it really don't matter to me  
                  D                  G                  C  
I think all kinds of singing are swell

C                                  C  
Sing sing aling          (Sing sing aling)  
G                                  G  
Sing sing along          (Sing sing along)  
C                                  C  
Wala wala bing bang  (Wala wala bing bang)  
F                                  Fm  
Rama lama ding dong  Rama lama ding dong

C A  
Womp bomp a loo bomp (Womp bomp a loo bomp)

D G  
Bippity boppity boo (Bippity boppity boo)

C A  
Yeah, yeah, yeah, yeah (Yeah, yeah, yeah, yeah)

D G  
Shoobidy Shoobidy shoo (Shoobidy shoobidy shoo)

F Fm  
Zippity do da (Zippity do da)

C A  
Zoo, zoo, zoo, zoo (Zoo, zoo, zoo, zoo)

D D  
You know it makes me happy (You know it makes me happy )

G C G C  
Singin with you (Singin with you)
