

Carsick

(By Sean McCollough)

Guitarists can capo on the second fret and play the chords in parenthesis. On the recording, Sean slides the C shape up to play the Eb (Db) and E7 (D7) chords on the first line of the chorus.

D (C) Eb (Db) E7 (D7)
I get carsick I don't like it

A (G)
And I swear this is real

A (G)
This lousy way I feel

D (C) Eb (Db) E7 (D7)
I start achin' I ain't fakin'

A (G)
And if you don't believe my story
A (G) *(slow down and stop)*

I'm afraid we'll all be sorry

D (C)
When we go to the mountains

D (C)
We like to take ourselves a hike

G (F)
I love the rocks, the trees, the clear blue streams

G (F)
But there's one thing I don't like

A (G)
Oh the roads they are so curvy

A (G)
And even though you will be cautious

A (G) A (G) *(slow down and stop)*
When it starts to gettin' swervy, well I start to feelin' nauseous

D (C) Eb (Db) E7 (D7)
I get carsick I don't like it

A (G)
And I swear this is real

A (G)
This lousy way I feel
D (C) Eb (Db) E7 (D7)

I start achin' I ain't fakin'
A (G)

And if you don't believe my story
A (G) *(slow down and stop)*
I'm afraid we'll all be sorry

D (C)
When we go on vacation
D (C)
We have to drive a long long ways

G (F)
Sometimes a few hours

G (F)
Can feel like a few days

A (G)
I have to entertain myself
A (G)

Well you'd think that would be easy
A (G)

But if I read a book, just one look
A (G) *(slow down and stop)*

And I start to feeling queasy.

D (C)
I get carsick... *(top of page)*
