

Rag Doll

(by Greg Horne)

 C G
I am a rag doll, my name is Annie
 Dm F / G /
My eyes are buttons, my hair is yarn
 C G
I've got more stitches than a famer's britches
 Dm / G / C
And a calico dress to keep you warm

Chorus:

 F C
I am not fragile, I'm just a rag doll
 C G
And what I am used to suit you to a tee
 C G
I'm not a new one of lace and china
 Dm / G / C
I'm just a rag doll, don't you worry about me

 C G
I have been waiting here in the corner
 Dm F / G /
Under the laundry, behind the door
 C G
I have been hoping that you will see me
 Dm / G / C
And pick me up in your arms once more

Chorus
