going to the Sunsphere

D A
And when you behold the shiney and gold

G G
Can you see me looking down down down

G A D G
In 1982, the world came to visit you

G G A (long note)
Now decades later this party favor, decorates the view

D A
I'm going to the crystal palace of knoxville

G G
Going to the Sunsphere

D A
It's a funny thing about human beings

G G
we like to build up from the ground ground ground

D A G G
Looking into the past, see how we thought about the future

D A
I'm seeing a feeling

 G G
I wonder if it's still around round round

G A D G
In 1982, the world came to visit you

 G A (long note)
Now decades later this party favor, decorates the view

Energy turns the world - that's what they said

G
Energy turns the world - that was the line

G
Planets circle round the sun

 G A A (build)
And the countries all came to Knoxville

G A D G
In 1982, the Sunsphere was brand new

 G A D G
And I was 14-years old, living right down the road

 G A D G
When the world came here, I remember it so clear

 G A A(hard stop on 1)
Now we've still got the sun

 D A G G
The Sunsphere

 D A G G D (fade out?)
The Sunsphere, the Sunsphere
