

Big Ears

(By Sean McCollough)

I've got big ears, I've got big ears, I've got big ears, I've got big ears
Even though I'm small Even though I'm small
I've got big ears, I've got big ears, I've got big ears, I've got big ears
Even though I'm small Even though I'm small

Gonna open my mind open my heart
gonna open my mind open my heart
Gonna open my eyes Open my ears
open my mind Open my heart

I've got big ears, I've got big ears, I've got big ears, I've got big ears
Even though I'm small
